

# ANPIC Initial Registration Guide (For students)

To use the “University of Tsukuba Safety Confirmation System (ANPIC)” (hereinafter referred to as the “ANPIC”, the registration of the login password (initial registration) is needed.

Each one should file the initial registration in accordance with the following procedures.

## 1. Things needed for registration

- (1) Login ID (9-digit student ID number)
- (2) Email address (@u.tsukuba.ac.jp/@s.tsukuba.ac.jp)

※ Those without an email address given by the university will be issued a tentative password. For those concerned, let the system manager know one's student ID number and name by email.

■ System manager contact information : [anpi@un.tsukuba.ac.jp](mailto:anpi@un.tsukuba.ac.jp)

## 2. Procedures of Initial Registration

※ Each one should set the login password (required) in accordance with the following procedures.

- (1) Access the ANPIC Initial Registration Website.

ANPIC Initial Registration Website  
<https://anpic-v-t.jecc.jp/u-tsukuba/regist/>

- (2) In the Login ID field, enter one's student ID number (9 digits) and click “次へ (Next) ”.

※Those with more than one student ID number or employee ID number  
**The initial registration of the main ID is needed.** Confirm the main ID from [this](#) page and enter in the Login ID field.

- (3) The following notice will be received in one's email address (@u.tsukuba.ac.jp or @s.tsukuba.ac.jp) so access the URL in the text of the email.

件名：【筑波大学 安否確認システム】ANPIC 初期登録について

筑波大学 ○○○○様

以下の URL にアクセスし、パスワード、メールアドレスの登録を実施してください。

ユーザ登録は、こちらから↓

[https://anpic-v-t.jecc.jp/u-tsukuba\\*\\*\\*\\*/](https://anpic-v-t.jecc.jp/u-tsukuba****/)

(有効期限：2 時間)

※The URL is valid for 2 hours. Register in time.  
If overdue, conduct the operation from (1) once again.

( 4 ) Enter the password, then enter the same password (for confirmation) and click “登録する (Register) ”. ※ Registration has yet to be completed.

※Set an arbitrary password by using 6 to 15 half-width alphanumeric characters.  
Setting a long password is recommended.

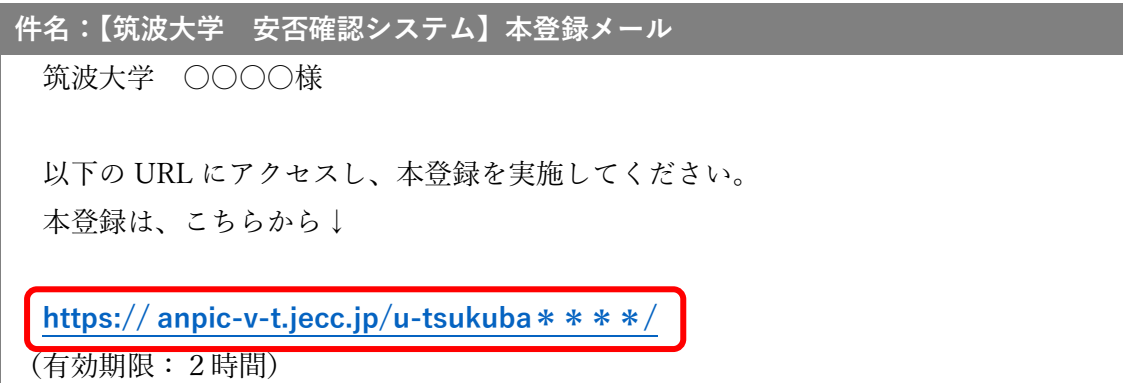

※Be careful in managing one's password.

※ Along with the password, an arbitrary email address could be registered to receive safety confirmation emails. In so doing, enter the email addresses that one wants to register in “Email Address 2” and “Email Address 3”. (Additions and revisions may be made after the initial registration.)

The screenshot shows the registration page for ANPIC+ (安否情報システム). The header is blue with the ANPIC+ logo and the text '〇×大学'. The main content area is white and contains the following fields and instructions:

- パスワード及び、メールアドレスを登録してください。**  
Please register a password and an e-mail address.
- 登録情報**  
ID : avancehanako  
名前 : あほんせ花子
- パスワード**

※ログイン後、アカウント設定から変更してください。
- メールアドレス3**  
メールアドレスを入力
- メールアドレス3 (確認用)**  
メールアドレスを入力

( 5 ) The following notice will be received in one's email address (@u.tsukuba.ac.jp or @s.tsukuba.ac.jp) so access the URL in the text of the email.

※It will be received in the email address where the notice in (3) was received.

※The URL is valid for 2 hours. Register in time.

If overdue, conduct the operation from (1) once again.

( 6 ) The completion screen will be displayed.

- (7) The operation should be checked if login is possible with one's login ID (9-digit student ID number) and password registered in (4) by accessing the ANPIC login screen.

ANPIC Login Website

<https://anpic-v-t.jecc.jp/u-tsukuba/>

- (8) Initial registration has been completed.
- (9) At ANPIC, receipt of the safety report email and making of the safety report are possible from the “Arbitrary Email Address”, “Dedicated App”, and “LINE”. So that one can safely receive the notice in major disasters and disaster drills implemented by our university, registration of an email receivable on one's mobile phone, LINE, or dedicated app is recommended.
- For the various setting of the receipt of the safety confirmation notice and procedures, etc. of the safety report, refer to the following:

※The login ID and password in the dedicated app are the same with those registered at the time the initial setting.
